OH ETI Account Manager

Our roles as institutional leaders encompass more than managing the receiving and/ or sending of student transcripts . . . we manage the credentials of every applicant and student within our institution empowering us with the capability to enhance institutional admission and retention strategies.

We are able to improve the operational and student experiences at our institutions in the following manner:

Registrars

- ✓ **Student Experience:** Online fulfillment with custom ecommerce rules
- ✓ **Operational Excellence:** Electronic transcript delivery
- ✓ **Aligning Data to Assessment:** student academic composites to support college and career progression initiatives

Admissions Directors

- ✓ **Student Experience:** integrated student transcript request with an online application
- ✓ **Operational Excellence:** transcript fulfillment within one business day & SIS integration
- ✓ **Aligning Data to Assessment:** applicant composite reports to create target campaigns

Since 2003 Parchment (*f/k/a Docufide*) has served the education industry as the trusted intermediary for electronic exchange of student records for K12, High Education and statewide initiatives. In January 2011, we changed our corporate name from Docufide to Parchment, aligning our services with the Docufide platform due to the platform's expansive education credential management capabilities.

Parchment offers institutions a unique combination of electronic record exchange (Docufide Sender and Docufide Receiver), eCommerce, and process-analytic capabilities across the entire student lifecycle. As an Ohio education institution, through the Ohio Department of Education transcript exchange initiative, Parchment can provide seamless exchange of student records as data (PESC XML, EDI TS130) and/or as an image file (PDF, TIFF).
