

# OACRAO

**The goal of the Ohio Association of Collegiate Registrars and Admissions Officers is to provide professional development and services to all individuals involved in the admissions, registration and records processes and to help institutions to promote the ideals of higher education. Founded in 1926, OACRAO is a nonprofit, voluntary professional education association of institutions of higher education in the State of Ohio.**

**Brad Myers** is the University Registrar at The Ohio State University. Many of you know him as the OACRAO FERPA expert, a logical off-shoot stemming from his J.D., received at Ohio State. Brad has been very active in OACRAO, serving as VP Programs, President-Elect, President, and Past-President, LAC Chair, Audit Committee chair and a presenter on many occasions. In 1996, Brad received the Garland Parker Award. On the national level, Brad has been active in several AACRAO committees including: Academic Policies, Practices and Facilities Management Committee, Nominations and Elections Committee, and the State/Regional Relations Committee
