Where is she now?

How I got involved with OACRAO...

Learned about the organization through my admissions colleagues at OSU

My favorite "fun" OACRAO Memory...

The great friendships that I developed with colleagues - particularly the annual officer retreat that Dick was able to offer every winter. It really was a great opportunity to focus on organizational planning for the following year, but also to develop great friendships.

My favorite "serious" OACRAO memory...

The Parker and Ryland Award recognitions. I was always in awe to hear of the work and commitment from year to year that so many of the recipients contributed to the organization and their respective institutions. I was honored to be recognized.
