

Past President Profile

Gerry Hill (formerly Chitty)
President 1995
University of Akron

Where is she now?

I retired in 1999 from The University of Akron. As you know, Roberta Sikula-Schwalm accepted another position at Kent State University; Susan Cole is interim Registrar. Roberta asked me if I would be interested in doing some back fill work in the Registrar's Office to help Susan. I am now on a four-month contract in the Registrar's Office at Kent State and thoroughly enjoying it.

How I got involved with OACRAO...

I became involved in OACRAO when I began working at The University of Akron in the Assistant Registrar's position.

My favorite "fun" OACRAO memory...

Most of the meetings were fun because of the people who belong OACRAO. Remembering the old gang: Howard Baldwin, Rich Backer, Ken Bogard, John O'Neil, Tim Boylan, Gene Schuster, Roberta Sikula-Schwalm, etc.

My favorite "serious" OACRAO Memory...

Naturally, serving as president of OACRAO. .It was a rewarding experience.
