How I got involved with OACRAO...

Got involved when working in Student Affairs at College of Optometry in 1968. Encouraged by Bruce Bursack and others at OSU Registrar Office.

My favorite "serious" OACRAO memory...

Receiving Ryland Award a few years ago. A real thrill since I had the privilege of knowing and working with the fine gentleman for whom the award is named! Also, the many years of attending national meetings with all the great colleagues from Ohio will always be a special memory!

My favorite "fun" OACRAO Memory...

Making fun of Joe Schindler, Past OACRAO President.. Catching fish at marketplace in Seattle with Lorraine and Connie.

Where is he now?

Retired from Mount Carmel College of Nursing in June, 2002. Also retired from OSU (STRS) in December, 1988. Keep busy volunteering - Volunteer at Mount Carmel East Hospital in Out-Patient Surgery Area; Volunteer at Church of Resurrection Office; Volunteer as Tour Guide at State Capitol/Columbus. Served as Chair of Church of Resurrection (New Albany) Parish Council 2002-2005. Worked last three Nov/Decs at Kohl's Department Store as Replenisher. Play golf as much as I can; took week golf trips to Pinehurst in 2004 and just returned from week golf trip at Hilton Head. Have 7 grandchildren in area ranging from 4 years to 16 years old who we get to see frequently.
