My favorite "fun" OACRAO Memory...

Karaoke (sp) at OU OACRAO in Athens. Staying overnight...had an extra beer and away we sang!

How I got involved with OACRAO...

At MU Middletown in 1984, started new position that Fall and Ken Bogard, UR for MU, swept me up into committees. Linus Ryland took me along to an exec mtg one time when some "futures" issues were being discussed for OACRAO. I then pestered folks about getting more involved. So, part nudge by others, part interest and pestering by me.

My favorite "serious" OACRAO memory...

Speaking at Ken Bogard's retirement party...brought back lots of good years with Ken at the helm of many of our professional paths.
