

Past Award Recipient & President Profile

Joe Schindler
President, 1992
Columbus State Community College

My favorite "fun" OACRAO Memory...

AACRAO, Boston, 1993(?) or 1994(?), a costumed photo opportunity with Gerri Chitty, Marian Hogue, and Rich Backer. Ask Marian about it... Most memorable OACRAO Past Presidents (Gerri and Marian as "to-be's") photograph ever taken. Negative was quite costly!!!

Where is she now?

Retired December 1995, CSCC, as Director, Records and Registration. Presently working 20 hours a week at CSCC in what has been labeled the Student Assistance Center, a part of the Records and Registration area. Our primary responsibility is to assist students in the enrollment and registration process.

My favorite "serious" OACRAO memory...

As for memories, if I still have a memory left, would be the professional development, growth, and advancement of people within the Association and at their colleges/universities.
