## Information Systems and Data Management

Mark Fry, Director Eastern Campus Enrollment Director

Cuyahoga Community College

The Information Systems and Data Management Committee works hard each year to provide relevant and engaging sessions regarding issues that are affecting today's registrar's offices in Ohio. The scope of topics covered by this committee include information system; data collection; analysis and reporting; admission enrollment reports and institutional studies; and current and future technologies. We hope that you will enjoy the sessions that we will have available for this year's conference, which include SQL and Google Docs workshops, NSC Enrollment Reporting, Migrating from DARS to Degree Works, and much more! A full listing of session topics for this upcoming Fall conference will be available soon.

We will be looking for several new members to join the Information Systems and Data Management Committee next year, so consider volunteering to be a part of this great group of professional colleagues. You will meet once a year with the other program committees to brainstorm ideas, and then you will be responsible for organizing 1-2 sessions. It is a great way to network and get to know your colleagues around the state while discussing important topics that concern all of us. Current [committee membership](#).

# OACRAO 2017 Conference

Branching out with OACRAO is the theme of this year's conference October 4<sup>th</sup> – 6<sup>th</sup> at Mohican Lodge and Conference Center. For those new to OACRAO, the annual meeting is a three-day event with sessions geared towards registrar's office staff and admissions officers. Do not miss the opportunity to learn about new state and federal legislation, meet with exhibitors to learn about the latest in products and services, explore best practices, and of course, network.

The Local Arrangement Committee (LAC) is busy planning activities, entertainment and meals for you to enjoy. LAC's scope of responsibilities include arrangement of conference physical facilities, recommendation of a conference theme, development and distribution of materials related to the conference, arranging meals and social activities, arranging for exhibits and exhibitors, arranging for equipment, coordinating registration, reserving lodging for the conference, and developing a conference budget/financial report, to name a few.

For those arriving Tuesday, October 3<sup>rd</sup> there are several activities to choose from:

2:00 pm – 4:00 pm  
2:00 pm – 4:00 pm  
4:30 pm – 6:00 pm  
6:30 pm

Pontoon Boat Ride with snacks  
Canoe Rentals (pay at the desk)  
Beer Tasting  
Pizza Buffet Dinner

All events are pre-register except for the Canoe Rentals. More information is available on the conference website.

Chair: Kate McNeal – Suzanne Bates, Brooke Roberts, Michelle Harden  
Chair: Cheryl Gloege – Frank Yanchak, Christine Court, Laurie Mayhew  
Chair: Angela Ford – Dan Kall, Beth Stiles

A special thank you to the sub-committee members for all the work they are doing this year.

## RETIREMENT: Jack Campbell

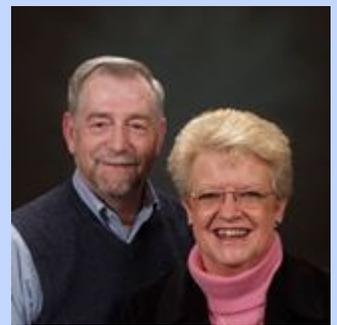

### *Jack Campbell says farewell to Wittenberg*

By: Fran Campbell, Registrar at Cedarville University

Jack Campbell began his career in education as a high school biology teacher at a private high school in Columbus. He transitioned into higher education in 1983 when he was appointed to the position of registrar at Cedarville University. With strong interest in the developing computer technologies, Jack introduced the first personal computer to the University in the office of the registrar. His ability to organize and manage systems and apply new software technologies laid the foundation for Cedarville University to be among the first colleges to implement online grading and registration systems. After a five year break, Jack returned to the registrar profession, beginning with a brief stay at Wilmington College and then moving to Wittenberg University where he has served as registrar for the past 14

years. Throughout his career, Jack has enjoyed a strong connection to OACRAO. He has served as a member of the Information Systems and Data Management Committee and the Government Relations committees and he has presented a number of workshops at annual meetings.

Jack is being recognized at a farewell reception on June 28 from 3-5pm in Recitation Hall on the Wittenberg University campus. Following his retirement on July 7, 2017, Jack is looking forward to spending more time with his family, particularly his ten grandchildren, and working in his wood shop.

Jack & Fran Campbell

## OACRAO Board

Board of Directors and LAC Co-chair together at David's home in Westerville, OH, May 24<sup>th</sup>, hard at work to finalizing workshops and activities for the OACRAO conference this year. Hope to see you there!

Back row (left to right): Liz Clerkin, Donna Evans, Carol Jones, Michelle Rable, David Schneider.

Front row (left to right): Mary Holland, Tina Hummons, Stephanie Giese (LAC Co-chair), Beth DeLonzo.

## Member Spotlight

**ALEX KERNS**

Coordinator of Graduation Processes  
and Degree Audit

### What do you do at Miami University?

I'm the Coordinator of Graduation Processes and Degree Audit. I handle all commencement related activities such as the awarding of degrees, diploma processes, and commencement ceremony preparation. I also work with several departments to set up and maintain their curriculum requirements through our SIS and DARWIN facilities. I have other minor responsibilities but there are too many to mention.

### How did you come to your current position?

I was a student worker in the Office of the Registrar while attending Miami University. Upon graduating, I took a job as a temp in the University Registrar at The Ohio State University. I ended up getting promoted to a full-time position and was there for four years. I decided to take a job at Miami University (current position) because it presented an exciting opportunity to return to my Alma Mater and be closer to family and friends.

### Did you attend the October 2016 OACRAO Conference? What did you take away from it?

Yes, and I attended the OACRAO Summer Institute as well. I learned that the information and knowledge that can be gained among peers across different institutions is invaluable. I also think it's important to find a mentor in this line of work (higher education) that you can look up to and lean on for career advice, development, etc. Lastly, I think the OACRAO group as a whole is tight knit group and enjoyable to be around.

### Outside of work, what do you like to do?

Some people that know me inside the OACRAO circle know I'm an avid fisherman. I love to bass fish and compete in tournaments throughout the Midwest. I fish tournaments throughout Ohio, Indiana, Kentucky, Tennessee, and Alabama on a yearly basis. I just love the thrill of catching fish and all the things that I see and experience out on the water are priceless.

### Are you originally from Ohio?

Yes. Middletown, Ohio.

### What is on your bucket list?

I want to visit as many places as I can. I love the history of places, so I would like to explore Europe and all that it has to offer here soon. I would be particularly interested in visiting some places/sites of WWII. This past year, I was able to visit another place of historical importance - Gettysburg - and it was an amazing experience.

## Residency Workshop

By: Tina Hummons, Registrar, Sinclair Community College

The Residency Workshop hosted 36 attendees this year! The panel discussion was great; the Ohio Department of Higher Education sent representative Michelle Chavanne who was very helpful and the attendees seemed to be experts in their own right. The dialogue was very rich, and could have lasted for hours.

Here are a few take away notes:

If a student discloses they would like to escalate a concern, the school should inform the student to contact the Ohio Department of Higher Education, emailing Michelle Chavanne the particulars.

College Credit Plus students must adhere to the policy of tuition residency.

Active duty military service members LES must have Ohio listed to get State rate.
